

In this episode of The Sound Of Plaid: **Beatles And Other Animals**. We listen to a [recent performance of finely chopped Beatles](#)

(or at least of their music) surrounded by a veritable zoo of other animal-related tunes :

Penguins

(funky, and otherwise),

Rats

(catching; in my room...),

Pussies

(missing cats, and missing "cat"),

Dogs

(atomic; friendly; lusty), all bookended by

Turtles

... got the picture?
