

FINALLY! Our [Sound Of Plaid archives](#) and [MP3 page](#) are back and serving sounds for your leisurely listening and downloading delight. Our radio show still happens every week and our Sound Of Plaid archive has swelled to **over 230 shows!**

You can listen to any of them straight from the page and download as many as you want for free (but we wouldn't say no to a donation). Our

[podcast link](#)

should now be operating normally too. Now that we see our MP3 page offerings for the first time in a while, they're now a bit dated... sorry, but we'll try to get some fresh stuff up there in another week or two.

(Thanks to hn3000 for the php help in fixing this!)
