

[Radio Valencia](#) has been on the air for a year now, carrying our [Sound Of Plaid](#) show as well as [43 others](#)

. With the unexpected closure of KUSF, Radio Valencia is one of the few remaining sources of independent and adventurous music to be heard on the San Francisco FM dial.

They've got a great thing going and want to make it even better, with a sorely needed new mixing board and some better equipment all around. ☐ **Enter [Chicken John](#)**, a "born showman" (his words) and a person with a scheme for every situation. His idea: a **Radio Dinner Theatre with 5 courses and 5 radio performances.**

The food will be good, the performances will be even better, and your \$40 will benefit a radio station that deserves that and more!

ECC will participate with **a tribute to [Dr. Demento](#)** who just celebrated his 70th birthday earlier this week, but whose radio show left the radio waves after 35 years only this January.

**Space and food is VERY limited, so**
