Seeking Your Listener Requests!

Friday, 26 July 2013 07:12

Time for another one of our awesome-yet-fat-free Listener Request episodes of The Sound Of Plaid!

Once again we invite listeners to make requests for *vague concepts only*... **no specific songs.**   But don't worry; the perfect song to match your concept will be chosen -- either by us, or by other listeners. Wisdom of the crowd, y'know?

Last month we successfully launched our automagical semi-robotic **listener request system** that coordinates your requests and suggested matches. So let's turn it back on and have another go!

It's too late for your re we've already aired thi **listen to the episcale** **at the archive** **.**
