

I've really got to hand it to [KAOS Radio Austin](#) DJ [Slander Bob](#) -- the two-hour artist showcase he compiled on The Evolution Control Committee was

**incredible!**

Amazingly far-reaching in its sources and in its scope of The ECC's 20+ year career.

**This is a must-hear for all ECC fans!**

What more can we say? Press play below and hear for yourself, or
